Into Place is not the owner of the land. The land featured in this package is advertised by agreement between Into Place and the land developer and/or vendor. The land is not purchased from Into Place but from the land developer/landowner or an authorised agent. Into Place is not a reseller of land but a new home builder. The land price component does not include transfer duty, settlement costs and any other fees or disbursements associated with the settlement of the land. Land and building will form separate contracts. Price includes a provisional sum for siteworks which is indicative of the suburb in which the home is being proposed. This will only be fixed after receiving proper contour surveys and engineering details. Where a set price has been determined for Bushfire Attack Level (BAL), coastal requirements, noise attenuation requirements and / or covenants and guidelines, this will be included in the total price.
